INTRODUCTION

While on the one hand, history often seems ordinary and routine, with days flowing by one after the other, there are turning points in history. Within any given life, for example, there can be significant, life-transforming moments. Sometimes these are called “rites of passage.” Many times a single moment in a person’s life can be of profound and lasting significance. For example, a seemingly chance meeting with another person can form the basis for tragedy or good fortune. The outcome depends not only on the circumstances and nature of the opportunity, but on our ability to see clearly, recognize what needs to be done, and take the right course of action.

I believe with absolute conviction that we stand at the most critical juncture ever to befall the human community. The entire world is truly standing on the threshold of an age of peace. The hope of all ages, for a unified world of peace, is about to be realized. The day of its arrival depends on us.

*Rev Chung Hwan Kwak,
Chairman, Universal Peace Federation*

Welcome!

We’re so grateful and happy that you’ve come here today to share with us this profound and historical occasion. It is our sincere prayer and confident expectation that we will receive a special blessing from Heaven today, and that God in his mercy and love will bring all of us several steps closer to the kingdom of harmony and peace.

On September 12th, 2005, four years and a day after the tragedy of 9/11, the Rev. Sun Myung Moon and Dr. Hak Ja Han Moon founded the Universal Peace Federation with the vision and mission of bringing the entire human family into peace and harmony, beyond ethnicity, religion or nationality.

At the inaugural address delivered at the Lincoln Center in New York City, Rev. Moon outlined his vision for a world of peace and he spoke of bold reforms needed on every level from the individual to the whole world. He said the United Nations should be reformed, and form a council where the counsel of wise religious leaders can be heard. He urged the United States, Russia and the world’s leading nations to combine forces to build the Peace King Tunnel across the Bering Strait, creating a physical link between continents that will also bring all the world’s peoples together. Finally, he declared that all people should make a new commitment to create marriages and families of lasting peace. “Some may doubt that this can be fulfilled,” said Rev. Moon, “but where there is a will, there is always a way. Especially when it is the will of God!”

After the kickoff at the Lincoln Center, Rev. and Mrs. Moon immediately began a worldwide speaking tour to 120 countries, traveling over 80,000 miles as they visited a different country every day. They were welcomed by presidents, heads of state, leaders of religions, and by tens of thousands of ordinary men and women eager to hear their uplifting message of peace and hope.

When the tour concluded triumphantly in Korea late last year, no one could imagine that just a few months later God would call them to repeat and even expand the effort. But he did, and Rev. Moon and his family have willingly accepted God's call.

And so today we are all gathered to take another step in that important journey for peace. Once again, Rev. Moon's family – led by his wife and greatest supporter, Dr. Hak Ja Han Moon, and ably assisted by their three eldest sons, Hyo Jin, Hyun Jin and Kook Jin – are urging us to change our lives and live in accordance with divine providence.

We are all to be partners in this divine work, not just a passive audience. We all have a part to play. During our gathering, you will hear several sermons, prayers and words of encouragement. But there will be something more, and it requires your active participation—the Blessing. The Blessing is a special grace from God to bring protection, power and incredible potential to your family. Today, it matters not whether you are married, single, or separated. God has a Blessing for all of us.

We hope that you find inspiration and edification in your experience today. God bless you and your families, and may God bless America.

DECLARATION RALLY FOR THE ERA OF THE KINGDOM OF PEACE IN HEAVEN AND ON EARTH

God's Ideal Family and the Kingdom of the Peaceful, Ideal World

Rev. Dr. Sun Myung Moon

March 25 – April 3, 2006
Republic of Korea

Distinguished world leaders, Ambassadors for peace and blessed family members who have come from all parts of the world in hopes of bringing about the realization of world peace, and building the ideal hometown in heaven and on earth:

I would like to express my deepest gratitude to all of you for coming together in the midst of your busy schedules to take part in this rally to expand and elevate the Family Party for Cosmic Peace and Unification to a global level, so that it may be reborn as the Cheon Il Guk House for Peace and Unification; to make the Universal Peace Federation a model UN-type organization; and, to make Cheon Il Guk the kingdom of the peaceful, ideal world through the concerted efforts of all the nations of the world.

Ladies and gentlemen, as we begin the twenty-first century, we find ourselves at a truly historic turning point. We are at a point of decision. Can everlasting world peace take root, or are we doomed to repeat the twentieth century's dark and oppressive history of war and conflict?

The twentieth century was a period of ceaseless struggle, including wars for colonial dominion, the First and Second World Wars, the Korean War, and the Cold War. Living through this era, I dedicated my life entirely to the accomplishment of the Kingdom of God, the

kingdom of the peaceful, ideal world. I have always prayed sincerely that the United Nations, founded after the Second World War, would be an institution of peace, and that it would uphold God's will for the realization of eternal world peace.

The United Nations has made important contributions for peace. Nevertheless, at its sixtieth anniversary last year there was a broad consensus, both inside and outside the organization, that the U.N. had yet to discover the way to fulfill its founding purposes. The number of member states approaches two hundred, but the offices of these states do little more than represent and even insist on their own interests. They seem inherently unable to resolve conflicts and achieve peace.

For these reasons, I would like to once more declare today before all humanity the message I gave throughout the Universal Peace Federation inauguration tour, which was launched last year on September 12 in New York and took me to 120 nations around the world. It is entitled, "God's Ideal Family and the Kingdom of the Peaceful, Ideal World."

The Universal Peace Federation's mission is to renew the existing United Nations, a "Cain-type" UN, and provide a new level of leadership as an "Abel-type" UN.

It will unite heaven and earth and form the kingdom of the peaceful, ideal world.

This message should be engraved in the hearts of humankind. It is Heaven's special blessing in this Age After the Coming of Heaven. It is also a warning to us that we should take to heart and put into action.

God's Ideal Family

Respected world leaders, what do you think is God's ultimate purpose for creating human beings? Simply put, it is to experience joy through relating with ideal families filled with true love. What does an ideal family look like? First, each person in the family is an owner of true love. When God first created human beings, He made Adam representing all men, and Eve representing all women, with the intention that they become owners of true love. The quickest way for them to cultivate a character of true love was to secure a parent-child relationship with God, whereby they could live in attendance to God as their Father. They were to have followed the path of living as one family with God.

I invite you to enter into a mystical state and prayerfully ask God, "What is the center of the universe?" The answer you hear will undoubtedly be, "the parent-child relationship." Nothing is more important or more precious than the relationship between parent and child. This is because it defines the fundamental relationship between the Creator God and human beings.

Then, what defines the parent-child relationship? Three things: love, life and lineage.

The first is love. We can love with true love because God, our True Parent, first loved us with true love. God created human beings out of His absolute love, to be His partners in love. This relationship forms an axis of love, linking God the Father with human beings as His sons and daughters.

Is there anything higher or more precious than to be a son or daughter of God? If anything were higher, then surely human beings would aspire to attain it. But there is nothing higher. Do you think that when the omniscient and omnipotent God created Adam and Eve, He secretly reserved the highest position for Himself and made Adam

and Eve to be only second best? We cannot imagine that God would do that to His children, to His partners who share absolute love with Him.

As our eternal True Parent, God invested Himself 100 percent into the creation of human beings and endowed us with the right to have equal status with Him, to participate in His work as equals, to live with Him, and to inherit from Him. God bestowed upon human beings all of His attributes.

Though God is the Absolute Being, He cannot be happy alone. Adjectives such as "good" and "happy" cannot apply to any being that lives in isolation. They apply only where there is a robust mutual relationship. Imagine a professional singer who finds herself exiled to an uninhabited island. She may sing at the top of her voice, but with no one to listen, will it bring her happiness? In the same way, even the self-existent God absolutely needs a partner to share love with in order to experience joy and be happy.

Next is life. How shall we live to become God's partner and return joy to Him? In other words, how shall we live to become children of God, people whom God delights to call "My son," or "My daughter," because He sees in us a divinity equal to His? How can we become God's partners in completing the work of creation, partners who will inherit the entire creation? I answer: We should emulate the ideal that God set up at the beginning of His creative acts. In the beginning of creation, God acted upon the principle of living for the sake of others. In other words, everything that He did was for the sake of His creations, whom He hoped would develop into His partners of true love. The practice of true love is the nucleus of God's creative activity.

Therefore, to become God's children, our first responsibility is to resemble Him. We need to embody true love. The way to embody true love begins by living as a filial child, then a patriot, a saint, and finally a divine son and daughter of God. At that stage we can experience the innermost emotions of God's heart and resolve the grief that He has experienced for tens of thousands of years ever since the fall of Adam and Eve.

God is almighty. It was not due to any shortcoming or lack of ability that He has been imprisoned in great pain

and has endured immense suffering behind the scenes of history. Rather, there are provisions in the Principle of Restoration, which He was not free to disclose, that called Him to wait with forbearance until Adam and Eve's positions, lost at the human fall, were recovered with the appearance of the perfected "Second Adam." Although God is all-powerful, He will not set aside the eternal laws and principles that He Himself established.

The Importance of Lineage

Do you know what has pained God's heart most, causing Him the greatest grief over the long history since the fall of Adam and Eve? God lost His lineage. And with the loss of His lineage, He lost His right of ownership.

Let me talk about lineage for a moment. Lineage is more important than life and more important than love. Life and love come together to create lineage. Lineage cannot be established if either life or love is missing. Therefore, among the three qualities that define the parent-child relationship, love, life and lineage, lineage is the fruit.

God's lineage contains the seed of true love. God's lineage provides the context and environment for a true life. Hence, for us to become the ideal people envisioned by God, that is, people of ideal character, and to create ideal families, we first need to be linked to His lineage. To take it a step further, only when we are linked to God's lineage is it possible to create God's homeland, the ideal nation. Only when we are linked to God's lineage is it possible to establish the kingdom of the peaceful, ideal world. Please inscribe the importance of lineage in your hearts. I cannot emphasize this enough.

Without lineage, neither life nor love can endure. You strive to set a good tradition, but it will endure only through your lineage. Lineage is the bridge allowing the parents' spirit to carry on through subsequent generations. In other words, lineage is the first and final condition necessary for parents to harvest the fruits of their love, the fruits of their life and the fruits of their joy. We need to know this with certainty.

Yet when Adam and Eve fell, this lineage, more precious than life, was lost. The fruits of true life and true love never matured. They became the fruits of Satan,

lacking any relationship with Heaven. From them descended the six billion people now covering the earth.

God intended for the seeds He planted in the spring-time of the Garden of Eden to grow into a bountiful crop that He could harvest in the autumn. The ideal of God's creation was to raise Adam and Eve, His son and daughter, to the point where they would blossom in true love, flourish with true life, and bear fruit in a true lineage. God desired to harvest owners and families of eternal life, eternal love and eternal lineage, and to harvest His kingdom of the peaceful, ideal world as their homeland.

God's Suffering in Search of the True Parents

Instead, false love, false life and false lineage infested the earth. God's love, life and lineage fell into the hands of the adulterer Satan, the enemy of love. Heaven and earth were suffocated and transformed into hell. The world became a wretched place, far from God's presence. Yet humanity to this day lives in ignorance of this.

People are deluded into believing that the lineage of the enemy is the lifeline upon which the world depends. This is the wretched truth about humanity descended from the fall. That is why we refer to this world as hell on earth. God views humanity's tragic situation with a heart full of pain.

After creating Adam and Eve in the Garden of Eden, God intended to wed them with His Holy Blessing and bequeath to them Heaven's right of ownership. God wanted Adam and Eve to inherit from Him the ownership of the entire universe.

Because of the fall, however, all this came under Satan's control. God is like a father who worked and sweated his entire life to accumulate assets for his children, only to have a thief steal everything in one night.

Who can comprehend the sorrowful, painful heart of God? God lost His lineage, lost His children, and was forced to hand over the ownership of the nations and world to Satan. There was only one way to recover this lineage and ownership. This was the path to win the natural subjugation of Satan, to have Satan surrender voluntarily. What is the secret to accomplish this? It is only by the power of

true love, when we love our enemies more than we love our own children.

Was there ever a time when God could rejoice with human beings as their True Father and True Mother, enjoying the natural bonds of parent and child? Has God enjoyed even a year of comfort with His children, knowing that what He created was good? The answer is no; God has not enjoyed it even for one hour. And has anyone been able to comfort God in this pain? No, because no one has known the reason for the unbridgeable gap that has separated God from humankind for tens of thousands of years. No one has known why God and humanity are in such a tragic circumstance.

The biblical account of Cain and Abel reveals the beginnings of human conflict right in Adam's family. It provides the archetype for humankind's unending history of struggle, war and conflict. We are conflicted on many levels, beginning with the war between body and mind within each individual and extending to wars between nations and even to the global conflict between materialism and theism.

Extreme selfish individualism threatens our prosperity even today. We deem young people to be the hope of humanity holding the promise for the future, but drugs and free sex enslave them. Advanced countries seem to believe that material goods are all that matter. They recognize only their own interests while ignoring the misery of tens of thousands who die of starvation every day.

Who can untie this ancient knot of Cain and Abel? It has been tightened for thousands of years and grows ever more tangled. Do you think the United Nations can do it? The U.N. at its founding proclaimed a movement for world peace, and for sixty years it has dedicated itself to this task; yet world peace still remains far distant. Peace among nations can never come when those entrusted with the task have not resolved the Cain-Abel relationship between their own mind and body. Therefore, the time has come to launch the Abel-type sovereignty for the peaceful, ideal world that will set its course according to God's will.

God eagerly anticipated that someone would appear and resolve these tragedies, but no such person appeared on earth. God waited and waited, looking for anyone who would take on the role of the True Parent. If someone had

come forward, I am certain that God would have appeared in his dreams, carried the sun and moon to him, and showered him with lightning of joy and thunder of ecstasy from the heavens.

In this sense, it is a miracle of miracles that for the first time in history a man has succeeded in attaining the position of Adam. He has secured the status of the owner of true love and received God's anointing as the True Parent of humanity. It is an amazing fact that his lifetime coincides with yours, and that you and he breathe the same air. He is the horizontal True Parent, who comes to rescue fallen humanity. I, Reverend Moon, gained victory in that position. And on that foundation, on January 13, 2001, I dedicated to Heaven the "Coronation Ceremony of God's Kingship." By that ceremony I liberated and released God, the vertical True Parent who has taken responsibility for the Providence of Restoration. In all of history, this was the highest and greatest blessing humanity has ever received. This victory was absolute, unique, unchanging and eternal. Through this absolute providential victory, God's body and mind are completely liberated!

The Way to Peace Through the Holy Blessing Ceremony

Respected leaders! Our bondage to the lineage of Satan has caused so much suffering throughout history. Let us now boldly step forth to sever it and be grafted onto the root of the lineage of the True Parents. Why should we foolishly continue to live and die as wild olive trees? A wild olive tree, even if it lives a thousand years, will only continue producing the seeds of more wild olive trees. Where can we find the path to escape this vicious cycle? It is through the Holy Blessing.

The Holy Blessing Ceremony offers the grace of being grafted onto the true olive tree. It was instituted by the True Parents, who bring God's true lineage to humankind. Once you change your lineage to God's lineage, your offspring will belong to God's lineage naturally. The Holy Blessing is received in three stages: resurrection, rebirth and eternal life. Once you receive the True Parents' Holy Blessing, you can give birth to pure, sinless offspring and build an ideal family.

The best way to receive the Holy Blessing is with

someone from another race, nationality or religion. I call this an “exchange marriage.” This contributes to the enormous task of transcending the barriers of race, culture, nationality, ethnicity and religion and creating one family of humankind. In God’s sight, skin color makes no difference. God does not recognize national borders. God does not stand behind the barriers of religion and culture. They are nothing more than the Devil’s tricks. He has used them to rule over humanity as a false parent for tens of thousands of years.

Imagine two enemy families who have cursed each other throughout their lives, people who would never dream of living together. What would happen if these families joined together through an exchange Holy Marriage Blessing? A son from one family and a daughter from the other family become husband and wife, love each other and build a happy home. Would the parents in each family curse their own children? When their son loves this beautiful daughter of a hated enemy, and she as their daughter-in-law gives birth to Heaven’s grandchildren as pure and clear as crystal, the grandparents would smile with pleasure. In time the two lineages that were once soaked with enmity will be transformed.

What method other than exchange marriage will empower Whites and Blacks, Jews and Muslims, Orientals and Westerners, and people of all races to live as one human family? The ideal family is the model for living together in peace. The ideal family is the nest where we live and learn to become one. There we have the foundation of love and respect between parents and children, shared trust and love between husband and wife, and mutual support among siblings. For this fundamental reason, you should receive the Holy Marriage Blessing from the True Parents and establish Heaven’s tradition of ideal families, even if it means risking your very life.

A Life of True Love

Let me reiterate: To resemble God, the original Being of true love, we should become the owners of true love. We should embody true love and practice it in order to develop our character. This is the way each of us can become true parents.

What is a life of true love? True love is the spirit of public service. It brings the peace that is at the root of happiness. Selfish love is a mask for the desire to have one’s partner exist for one’s own sake; true love is free of that corruption. Rather, its essence is to give, to live for the sake of others and for the sake of the whole. True love gives, forgets that it has given, and continues to give without ceasing. True love gives joyfully. We find it in the joyful and loving heart of a mother who cradles her baby in her arms and nurses it at her breast. True love is sacrificial love, as with a filial son who gains his greatest satisfaction in helping his parents. God created the universe out of just such love: absolute, unique, unchanging and eternal, investing everything without any expectation or condition of receiving something in return.

True love is the wellspring of the universe. Once we possess it, true love makes us the centers and the owners of the universe. True love is the root of God and a symbol of His will and power. When we are bound together in true love, we can be together forever, continually increasing in the joy of each other’s company. The attraction of true love brings all things in the universe to our feet; even God will come to dwell with us. Nothing can compare to the value of true love. It has the power to dissipate the barriers fallen human beings created, including national boundaries and the barriers of race and even religion.

The main attributes of true love are that it is absolute, unique, unchanging and eternal, so whoever practices God’s true love will live with God, share His happiness, and enjoy the right to participate as an equal in His work. Therefore, a life lived for the sake of others, a life of true love, is the absolute prerequisite for entering the Kingdom of Heaven.

Respected leaders, you are now living in the age when all marriages can receive God’s Blessing. God’s promises are coming to fruition. The Kingdom of Heaven on earth, God’s ideal of creation, is being established before your eyes.

I dedicated my life of more than eighty years solely for Heaven. It has been a lonely path, stained with blood, sweat, and tears. Yet now it is bearing victorious fruit for the sake of the world’s six billion people. From the spirit

world, the Founders of the world's religions, tens of thousands of saints and your own good ancestors are watching your every move. Whoever, therefore, strays from the heavenly path will be punished accordingly.

In more than 180 countries, Ambassadors for Peace who have inherited Heaven's will and tradition are making serious effort, day and night, to proclaim the values of true love and true family. They are moving forward with full force to establish the kingdom of the peaceful, ideal world on this earth.

In the Middle East, one of the world's tinderboxes, Jews, Christians and Muslims have found the resources in my philosophy of peace to engage in a new dimension of dialogue. In past decades my Unification Thought played a decisive role in ending the Cold War. Now I am successfully leading behind-the-scenes efforts to bring about the reunification of my homeland of Korea.

But I am not yet satisfied, because I began my life's work at the command of Heaven. I have come as the True Parent of humankind with God's anointing, and I am determined to keep my promise to Him. I am determined to obliterate all national divisions and barriers that have poisoned this earth and to establish the kingdom of the peaceful, ideal world, where all people everywhere can live hand in hand.

Ambassadors for Peace are Heaven's Secret Envoys

Respected Ambassadors for Peace:

I believe you have learned many things through this message from God. You represent Heaven, and as long as humanity continues to drift aimlessly, it needs your help. Please take this opportunity to make a new determination to be Heaven's envoys, prepared to uphold Heaven's command. With this in mind, I would like to summarize today's message so that we can all take up Heaven's mission and inscribe it deep within our hearts.

What did I say we lost by the fall of Adam and Eve, who were created as God's children? First, we lost the realm of the lineage given to us by God. Lineage is the most special among all gifts parents bequeath to their children. By the fall, Adam and Eve inherited the false

lineage of Satan and descended to the status of his children. We must understand with certainty that all human beings today, without exception, are descendants of the fall and have inherited the lineage of Satan.

When God created Adam and Eve, He invested His entire being, 100%. He created them based on the standard of absolute love, absolute faith, and absolute obedience. He gave them His lineage as the seed for their love and life. Likewise, from this moment, God is re-creating you as new people. The path is open wide for you to change your lineage through the Holy Wine Ceremony that the True Parents have instituted. The Blessing is yours, either as newlywed couples or as already married couples, that you may establish true families.

Second, the fall caused the loss of the realm of sibling love, when in the family of Adam the older brother Cain killed his younger brother Abel. God's original family structure was full of blessings, including love and harmony among siblings. The fall degraded the sibling relationship to a rivalry filled with envy and resentment.

To restore this problem in the lineage, I am leading humanity worldwide to join in exchange marriages. These marriages restore the original family structure, when those who are "Abel," relatively closer to Heaven's side, take on the subject role and the position of the older brother.

Ladies and gentlemen, because I spent my life discovering and disclosing these secrets of Satan, it was inevitable that I would face persecution. At times the suffering was so intense as to be indescribable in words. Now, however, I am victorious over all obstacles. I can therefore declare the Age After the Coming of Heaven, the age when the power of Heaven becomes manifest.

On this foundation, I am building a worldwide Abel-realm that brings together religions and nations representing 78 percent of the current world population. To create a corresponding worldwide Cain-realm, I am bringing together all those born with the Mongolian birthmark, which includes some 74 percent of the world's population.

Now these two, the worldwide Abel realm and the worldwide Cain realm, must become one and unite with the Universal Peace Federation, which has been initiated

Dr. Chung Hwan Kwak meets with Ambassador For Peace and President of Sri Lanka, HE Mahinda Rajapaksa

Celebrating the end of the 2005 tour with Korean war veterans in Toronto

as the Abel sovereignty. To establish the kingdom of the peaceful, ideal world, we must transcend religious affiliation and nationality and remove all national boundaries and other barriers. I would like to reiterate that this is the only way humankind will be able to achieve the original ideal of creation. It is our destiny to fulfill this responsibility. By doing so, we will establish the original right of ownership lost by the fall of Adam and Eve.

As you form this new Abel realm, please remember that now you are charged with digesting the Cain realm throughout heaven and earth. By doing so, you will create the conditions to establish the new heaven and new earth, the Kingdom of God on earth and in heaven, with God's complete authority.

A Project for Peace

Leaders from around the world, let me take the opportunity provided by today's distinguished forum to reiterate the proposal I made for a truly providential and revolutionary project. For the sake of peace and human welfare,

and also for building God's fatherland and original hometown, I propose that we build a passage for transit across the Bering Strait, that remnant of Satan's historical division between east and west, and north and south, and where the North American and Russian land-masses are separated.

This passage, which I call the "World Peace King Bridge and Tunnel," will link an international highway system that will allow people to travel on land from Africa's Cape of Good Hope to Santiago, Chile, and from London to New York, across the Bering Strait, connecting the world as a single community.

God is warning us that He will no longer tolerate separation and division. Carrying out this project will bind the world together as one village. It will tear down the manmade walls of race, culture, religion and country, and establish the kingdom of the peaceful, ideal world that has been God's cherished desire.

The United States and Russia can become as one. The European Union, China, India, Japan, Brazil and all nations, and also the world's religions, can combine their

energies to succeed in this project. The success of this project will be decisive in establishing the kingdom of the peaceful, ideal world, where people will no longer make war with each other.

Ladies and gentlemen, some may doubt that such a project can be completed. But where there is a will, there is always a way—especially if it is the will of God.

The science and technology of the twenty-first century render it possible to construct a tunnel under the Bering Strait. The construction costs are also not a problem. Think of how much money the world is wasting on war. Humanity needs to realize that we are committing fearful sins in the presence of history and our descendants.

Let us take one example. How much money has the United States spent on the war in Iraq during the past three years? It is approaching \$200 billion. That budget would be more than enough to complete the Bering Strait project.

In this age, war is a most primitive and destructive means of resolving conflict, and will never lead to lasting peace. Now is the time, as the prophet Isaiah taught, to beat our swords into ploughshares and spears into pruning hooks. Humankind should end the perverse cycle of war, which only sacrifices our children's lives and squanders astronomical sums of money. The time has come for the countries of the world to pool their resources and advance toward the kingdom of the peaceful, ideal world desired by God, the Master of this great universe.

Ladies and gentlemen, humanity is traveling down a dead-end street. The only way to survive is to practice my teaching: the peace philosophy of true love, true life and true lineage. Now that we have entered the Age After the Coming of Heaven, your good ancestors are activated and the heavenly hosts are sweeping down upon the earth. Soon the countries and peoples that appear strong and mighty will change course and shift in this direction.

Our Mission

I leave you with a choice. There can be no perfection in ignorance. The message from Heaven that I convey to you today is both a blessing and a warning to this generation. I will take the lead in establishing true families,

true societies, true nations and a true kingdom of the peaceful, ideal world. Will you join me as I rise and gain strength in accordance with heavenly fortune? Or will you remain captive behind the same old walls, all of them Satan's handiwork: the wall of your religion, the wall of your culture, the wall of your nationality and the wall of your race, and spend the remainder of your time on earth in agony and regret? Heaven is summoning you to be the wise leaders who will set aright this world of evil and establish a new heaven and new earth, a new culture and an ideal kingdom.

The Universal Peace Federation, which was born through the concerted efforts of those here, represents God's victory, the fruit of the True Parents' blood, sweat and tears, and the world's cherished hope. It will carry out the role of an Abel-type counterpart to the existing United Nations, a new sovereignty for building a realm of universal peace known as Cheon Il Guk. Please bear in mind that you are given the heavenly mission to build God's substantial homeland, which is nothing less than the ideal which God intended at the time of the Creation.

Think of the peacekeeping work of the United Nations. Sometimes it withdrew its forces before the mission was completed. The Korean War was one such example. For this reason, on October 20 in Ukraine, during the world tour of 120 nations inaugurating the Universal Peace Federation, I declared before the world the establishment of the "peace kingdom police force" and the "peace kingdom corps" for the welfare and future of humanity.

These two organizations will safeguard order and peace in the new world. Humanity is still ensnared in the traps of division and self-interest, which are remnants of the Age Before the Coming of Heaven. These two organizations will be the vanguard for educating humanity in true love in the Age After the Coming of Heaven. The purpose of this education will be to create the true individual, true family, true nation, true world and true universe.

I hope that you will put on new "true love armor" in this new age and be wise and brave activists in the universal peace kingdom corps, for the sake of humanity's future.

Please inscribe this warning from Heaven deep in

your hearts. Remember that the only way to inherit Heaven's lineage and establish the realm of liberation and complete release is through the Holy Marriage Blessing instituted by the True Parents. Furthermore, the Holy Marriage Blessing provides the means to establish God's ideal family and the kingdom of the peaceful, ideal world.

I ask you to devote your best efforts, as the True Parents have, for the development and success of the Universal Peace Federation, and toward creating God's ideal family, ideal nation and the peace kingdom. Please become true princes and princesses who can attend and live together with God, the eternal Peace King and True Parent of humanity. Let us live up to the standard of a true filial child, patriot, saint, and member of the family of God, and create the eternal kingdom of the peaceful, ideal world.

May God's blessings be with you, your families and your nations.

Thank you.

GOD'S MODEL IDEAL FAMILY AND NATION, AND THE PEACE KINGDOM

Rev. Dr. Sun Myung Moon
Dr. Hak Ja Han Moon

April 28 – Aug. 30, 2006

120 Nations

Distinguished world leaders, ambassadors for peace and blessed family members who have come from all parts of the world in hopes of bringing about the realization of world peace, and building the ideal hometown in heaven and on earth:

I would like to express my deepest gratitude to all of you for coming together in the midst of your busy schedules to take part in this rally. Our goal is to expand and elevate the Family Party for Cosmic Peace and Unification to a global level as the Cheon Il Guk House for Peace and Unification. Let us work together to make the Universal Peace Federation a model UN-type organization; and to make Cheon Il Guk the kingdom of the peaceful, ideal world through the concerted efforts of all the nations of the world.

As you may know, this year marks the eighty-seventh year since my husband, Rev. Moon's birth. On this remarkable occasion, as a co-founder of the Universal Peace Federation, which has the mission to open wide the Era after the Coming of Heaven, I would like to convey to you the essence of the truth of Heaven that my husband and I have taught throughout our lives. This message is entitled, "God's Model Ideal Family and Nation, and the Peace Kingdom."

Ladies and gentlemen!

On looking back, Rev. Moon's life has indeed been like a dream.

At the young age of sixteen, with nothing but the buoyant spirit and aspirations of youth, he was called by Heaven and began to live for the will of God. This left no room in his heart for any worldly ambitions he may have cherished. It has never been an easy path, but he has followed it for the more than eighty years, looking nowhere but straight ahead. This was the life he was fated to lead, with no choice but to shake off the embrace of his beloved parents and his brothers and sisters, who clung to him, wanting him to stay with them. They endured great suffering, and walked a sacrificial and thorny path for his sake.

Rev. Moon's life has been a journey through the wilderness that no one among the 6.5 billion people living on earth could ever fully comprehend. Even when he persevered through the hardships of prison life six times, he never let go of the key to the providence. .

God's Heartfelt Sorrow

Rev. Moon came to know only too well how anguished, aggrieved and full of bitter sorrow was the heart of God as He waited for thousands of years to find his lost children. He realized that if God, who is the origin of billions of

people and the creator of everything in the universe, was not relieved from His sorrow, human life would remain completely without value.

When, where and how did God come to carry such agonizing sorrow in His heart? Who on earth could inflict this grief upon Him, the absolute and omnipotent Being?

God created Adam and Eve and established them as the first ancestors of humankind. He committed Himself one hundred percent to raising them as His son and daughter, connected to Him through love, life and lineage. The parent–child relationship is the highest and most important of all relationships. The lineal relationship between parent and child is the only way through which God’s lineage can be bequeathed and made to last forever.

However, this parent–child relationship, more precious and important than life itself, was severed through the Fall of Adam and Eve. They were God’s own flesh and blood, created as His eternal, only-begotten son and daughter. But when Adam and Eve formed a blood relationship with His enemy Satan, they became Satan’s children instead. This is why God’s heart has been crushed and wounded with grief and sorrow throughout history. This still remains as the most mortifying and harrowing anguish of God. No one before in history could know or resolve this.

God’s ideal of creation was to establish a true family in that first generation through Adam and Eve, a family through which He could eternally pass on His lineage. Due to the fall, this was frustrated. Therefore, the only way to relieve God’s sorrow is to restore and establish a true family unrelated to the lineage of Satan. This is the reason why all of us need to establish the true families which are God’s ideal of creation. This is also the fundamental object and purpose of the founding of the Universal Peace Federation.

God’s Purpose for Creating Adam and Eve

Genesis 1:27 tells us, “So God created man in His own image; male and female He created them.” Observing God’s creation, as expressed in this passage, we can conclude that God is a being who comprises the essence of both masculinity and femininity. Having these attrib-

utes, God could not enjoy a solitary life. Therefore, He created the universe to be His object partner. He created all things in the universe in his own image and created human beings as His substantial object partners.

The first masculine representative created by God as His object partner in substance was Adam. The first feminine representative He created was Eve. God had a clear objective in mind when He created the first two human beings as separate beings, one man and one woman.

God exists as a spiritual, incorporeal being. Although He is the harmonious subject being of dual characteristics, he still needs to assume a physical form if he is to relate directly with the entire physical world of substance. Embodied within both Adam and Eve, He intended to communicate and work freely in relation to the entire created universe. Even God, as a spiritual incorporeal being, meets with certain limits in dealing with the physical, corporeal world of substance.

If Adam and Eve had attended God in their hearts and become one with Him, they could have married on the basis of having perfected themselves. When they had children and created a family, they would have become the external and horizontal true parents and God would have been the internal and vertical substantial true parent.

If only this had come to pass, Adam and Eve would have resembled God one hundred percent, both in their inner nature and outer form. As a perfect manifestation of God, Adam and Eve would have become the true parents of humankind. All human beings would perceive the true reality of God through them.

God created Adam and Eve for the fulfillment of love. He intended for Adam and Eve to reach perfection and become the embodiments of love in complete union. On that basis, God would have become the Parent of true love for all humanity. Adam and Eve would have established an ideal family, and consequently an ideal world, through having their own children and multiplying. The spirit world and the earthly world would have been harmoniously linked through human beings. We can conclude that God created us with the purpose of our being the connecting point between the spiritual and physical worlds.

By coming to dwell in Adam and Eve based on true love, God would eternally remain the True Parent of humankind. Even when the time came for them to end their lives on earth and pass on into the spirit world, God could take on the spirit bodies of Adam and Eve and manifest in that world as the True Parent through their form. However, due to the Fall of Adam and Eve, God has never seen that ideal fulfilled.

God does not need money, knowledge, or power. Since He is the absolute and almighty being, He does not need such things. Though modern science may be making spectacular advances, this is just part of the process of discovering the facts and truths about God's creation. The vast expanse of this universe operates in accordance with laws following a divine order that cannot be fully fathomed by human thought or science. In this sense, God alone is the absolute scientist.

God's Ideal of Creation

What was the ideal that God hoped to achieve through the creation of humankind? It was to fulfill the four-position foundation. The four-position foundation signifies Adam and Eve in a state of complete union with God. In that state it would be impossible for them to separate from God's realm of love, no matter how hard they may try.

In other words, the four position foundation refers to a family with God as its center; a family where husband and wife have achieved complete oneness, not only with each other but also with God. They become an ideal couple and give birth to ideal children. When a four-position foundation is completed, that family becomes a family of the ideal of creation desired by God.

Generally speaking, a family is formed through the coming together of husband and wife and parents and children. God's love must be at the center of that family group. The husband represents heaven and the wife, earth. Although they are two separate beings, when the husband and wife become one, their union symbolizes the unity of heaven and earth. Simply put, when husband and wife are in unity based on God's love, the way to bring unity in the entire universe opens up.

Ladies and gentlemen!

God created the world to receive joy from it. Even the absolute God, cannot feel joy while alone. He needed a partner with whom He could share the giving and receiving of love. Joy can only be experienced in relationship to a partner.

To put it in another way, God created this world in order to feel joy from seeing humankind and all things of the creation become one through His love, and form a harmonious and peaceful world of love. Human beings were meant to form true conjugal relationships centering upon His love. They were to establish families, tribes, peoples, nations and a world of true love.

God created this world to participate directly in this process and to feel joy from it. Human beings are absolutely essential to fulfill God's ideal of love. In light of this concept, we can better understand that absolute value is derived from an absolute partner.

God, as the Father, and humankind as His children were to form a vertical axis. This was the goal of the creation of human beings. If this axis had been connected perfectly, a relationship that united humankind and God as one in true love would have been established. That relationship would have been absolutely inseparable. No force in the universe could break it apart. How could anyone who has been bound to the original love of God, and who has tasted that love, ever be separated from it?

With the coming of spring, honeybees wake up from their long slumber and get the taste for the fresh nectar of blooming flowers. Try pulling the abdomen of one such honeybee while it is lost to all else but sucking on that nectar. You will see that it cannot tear itself from the nectar, even if its abdomen is pulled off. How about you? Once you really get to know the taste of God's true love, you won't get far from it before you come back and cling to it once again. This shows us that the power of the vertical true love that connects us to God is greater than the power of life.

The Value of Family

Ladies and gentlemen, the reason we miss our family when we leave them behind is because at home there is love for one another. It is where the love of mother and father, the love of elder brothers and sisters and younger

siblings, and the love of one's spouse and children and close neighbors are all deeply embedded. The family is a place of mutual affection, where all the relationships and affinities are brought together through mutual love. This makes us want to cherish each and every member of our family.

It is the yearning and desire of any wanderer who has left his family behind to re-appear boldly one day before that family as a liberated being, able to embrace mountains, streams and trees, love his kith and kin, and sing songs of ecstasy. However, the situation of humankind, descended from the Fall, has been different. Banished from our original heavenly hometown, they have been destined to wander in isolation and defeat. Human beings have been unable to go back to the original ideal, no matter how much they wanted to, for they have lost the root and heart of that original homeland.

However, with the ushering in of the era of a new heaven and a new earth, human beings have been pulled out of the swamp that was sucking them down. The way has been opened to return to the hometown they could not forget even for a moment, and to meet with their true family. Could there ever be a day of greater blessing for humanity? The time of heavenly power and fortune has now come, making it possible for us to reestablish the original family that was lost through the Fall of Adam and Eve.

A Family of Three Generations Living in Harmony

To seek after and find the lost original family, you should set out on a path to fulfill the position of the perfected Adam, the position of the perfected Jesus, and the position representing the perfected Second Coming of the Lord.

God will dwell in such a family. That family would be one of three generations. Grandparents, parents and children will live in harmony. Parents and children will live in service and attendance to the grandparents who connect to the historical root of the ancestors.

The family sets the pattern for living together in harmony. The model, ideal family is one where parents and children love and respect each other. In that family,

husband and wife are grounded in mutual trust and love. Brothers and sisters trust and rely on each other, and all live together as one. In a true family the stem of true love emerges from the root, and bears the fruit of true love. In such a family, history is alive, and the kingdom of heaven extends into it. It is in such a family that the kingdom of heaven on earth takes root. It is also where the everlasting tradition of kingship is firmly planted.

In such a family, the roots or foundations of past, present and future are represented by the grandparents, parents, and grandchildren. The root of the past represents the spirit world; the root of the present is the palace representing the world of today; and the root of the future establishes the grandsons and granddaughters as princes and princesses. Through such a family we will erect the palace of peace, representing the harmony of the two worlds, the spirit world and the physical world.

In this way, the three generations of grandparents, parents, and grandchildren should live together as one family, serving the eternally existent God. You should know that to seek after and establish such a family of Cheon Il Guk, God's kingdom, is the sacred responsibility of tribal messiahs, the holy mission of the Ambassadors for Peace, and the desire of God.

You should create families that God will miss and yearn to return to after He has been away. You should raise families to which God can come as freely as a parent visiting His children. In such a family, God becomes the vertical subject of conscience. This is what it means to live in service to God.

Following God as the vertical subject, your conscience will stand in a position to bring your mind and body into unity. This is how parental love, conjugal love, children's love, and siblings' love—in short, the four realms of love or the four realms of heart—can be perfected. Only in a family where God is the subject can the upper and lower, front and behind, left and right be connected as one. These relationships allow harmonious, circular motion to continue forever. This is how God's everlasting, model ideal families, nations and His peace kingdom will be established.

The Purpose of Marriage

Ladies and gentlemen!

Why should we get married? It is to restore the position of an owner of love. A man or woman alone can only be one half of the whole. That is how God created us. For that reason, He has interchanged the owners of the reproductive organs, the love organs. The owner of the wife's reproductive organ is the husband, and the owner of the husband's is the wife. Only when each is deeply rooted in love for the other can they stand in the position of the owner of their spouse. We marry to secure this position of the owner of love.

Then what are we trying to achieve by restoring the position of the owner of love? It is to fulfill and embody God's love. God is the subject of the three great loves. As the creator of the universe, He is the teacher, owner and parent of true love. This is the genuine three-great-subject-thought-system. All such teachings and truths are based on true, model families. Once these families expand, the society, nation, world and even heaven and earth can be transformed into the peace kingdom of the model ideal family.

Distinguished leaders, you are now living in the most blessed and exalted time in history. I now proclaim the launch of the era of a new heaven and earth. This is the Era After the Coming of Heaven, long-awaited and yearned for by your ancestors in the spirit world who have come and gone in history. This is the era of the Kingdom of the peaceful, ideal world. The founders of the four great religions and billions of good ancestors have come down to earth at this time to guide you on the heavenly path. The age in which the fallen and corrupted world plays havoc on humanity, allowing those who are evil to live better than others, is passing away.

Rev. Moon, who received the seal of heaven, has come as the True Parent of humanity and the King of Peace. He will be true to his promise to heaven and to God. He will bring to fruition the era of the Kingdom of the Peaceful, Ideal World on this earth without fail. Please bear in mind that all of you gathered here today are to be the central figures in establishing the Kingdom of the Peaceful, Ideal World on this earth, in attendance to the King and Queen of Peace, the True Parents.

Under the banner of the Abel-type UN, let us sweep away the absurdities and the evil of this world through true love power. Let us become the proud "peace kingdom police" and "peace kingdom corps" of the Universal Peace Federation, and protect the blessed families of the world. Let us fulfill our roles as the sentinels watching over this blessed land that is our planet.

I pray that the blessings and grace of God may be with all of you as leaders representing different areas of responsibility. Your presence has elevated this historic occasion.

I ask you to devote your best efforts, as True Parents have, toward the development and success of the Universal Peace Federation, and toward creating God's ideal family, ideal nation and the peace kingdom.

Please become true princes and princesses who can attend and live together with God, the eternal peace king and true parent of humanity. Let each of us live up to the standard of a true filial child, a patriot, a saint, and a member of the family of divine sons and daughters of God. Let us create the peace kingdom for all eternity.

May God's blessings be with you, your family and your nations.

Thank you.

THE TRUE OWNERS IN ESTABLISHING THE KINGDOM OF PEACE AND UNITY IN HEAVEN AND ON EARTH

Speech for the Third Assembly of the Mongolian People's Federation for World Peace

April 10, 2006
Seoul, Korea

Leaders from all over the world who are working hard for the development of the Mongolian People's Federation and the Universal Peace Federation, which was launched as the Abel UN!

Hand in hand with the heavenly fortune, a new spring has finally come to my fatherland, on the Korean Peninsula. I welcome you all personally and on behalf of the members of my family to this meaningful event, which you are attending despite your busy schedules. I hope you will fill your hearts with the new spring of heavenly fortune and take these blessed words back with you to your nations.

Distinguished world leaders:

This is the third Assembly of the Mongolian People's Federation. After inaugurating the Universal Peace Federation in New York, on September 12, 2005, I went on to complete a global tour of 120 nations in order to pass on my inaugural message. I proposed that the Universal Peace Federation, in the position of the Abel UN, should be developed as a new international peace

organization and that at the same time the United Nations, as a Cain-type institution, should be reformed by having a Peace Council—a legislative organization consisting of global religious leaders of the same rank as members of the current UN Security Council—established within it. I am referring to the founding of a Peace Council that will speak not for the interests of a particular nation, as the existing UN representatives do, but which will truly work for the welfare and peace of humanity from an interreligious and universal perspective.

The concept of the Universal Peace Federation, which was launched with such a grand purpose and objective, could not have emerged from any human brain. It is the greatest, the utmost blessing given by Heaven to humanity and is ushering in the new millennium. It is my hope that the Mongolian People's Federation too will fulfill its duty as a partner of the Universal Peace Federation in achieving its noble goals.

Toward that end, I would like to pass on to you today a revelation from God that is absolutely essential to all

6.5 billion people comprising humanity. I hope you will all be wise leaders who open your minds and listen to the voice of Heaven. I will impart to you this extensive message of Heaven under the title “The True Owners in Establishing the Kingdom of Cosmic Peace and Unity.”

Leaders of the world!

God, the Creator of all things under the sun, is the true parent of all humanity. He is not a parent in the parochial sense, existing only for a certain religion, a certain race, or the residents of a certain region. You may call Him by any name, be it Jehovah, Allah, or any other. What is important is that He positively exists, lives as the true parent of all people, and is carrying on the great work of creation. In accordance with the principles and the laws of nature that He set up at the beginning of time, He governs everything in the universe, and He carries out His providence through history.

The Actually Existing Spirit World

Ladies and gentlemen:

The human mind is more elevated than the human body and the spirit is more elevated than the mind. God resides in a place more elevated than the spirit world, where our spirits are destined to pass on. Only when we have become completely one with God in true love are we complete. Such a perfected person might be a small individual but would nevertheless represent all of history and all potential future relationships and so could be said to possess infinite value. Once we are aware of this cosmic value, we realize that our lives should be led by and carried out in service to our minds.

That is why your conscience knows and remembers not only every action you have performed, but also every thought you have entertained. Your conscience is aware of these things before your own teachers, parents or even God is. Hence, if you were to live in absolute obedience to the commands of your conscience, which is your teacher for eternity, you would be absolutely guaranteed to have eternal life. Such is the way of God’s creation.

When viewing the structure of a human being from a different angle, we can recognize that God created us as beings with dual characteristics. He created our physical

bodies as miniatures of the corporeal, tangible world and our spiritual bodies as representatives of and lords of the incorporeal world. Accordingly, a human being is intended to live for a hundred years or so in the physical world and, once the physical body ceases functioning, to pass on naturally and automatically into the incorporeal, spirit world. In this way, though it cannot be perceived by the eyes in our physical bodies, the spirit world is the automatic and inevitable extension of our lives on earth, humankind’s eternal, original homeland, created by God.

The spirit world does actually exist. It is not a world that has been fantasized or imagined into existence. We do not have the right of choice concerning it. It is not a world we can go to if we please, or refuse to go to if we would rather not. Just as God is eternal and unchanging, the spirit world created by Him is also eternal and unchanging. Just as we live in the physical world in our physical bodies and form all sorts of relationships with the existing world, even in the spirit world we are destined to go on living in our spiritual bodies, forming and maintaining close relationships with all phenomena of the spirit world.

The Relationship between the Spirit and Physical Body

However, in the relationship between the spirit and the physical body of a human being, the spirit is the more important of the two. The physical body lasts for about a hundred years before it stops functioning, but the spirit lasts eternally, transcending time and space. No matter how well a person dresses and fares in the physical world, he is bound to die. Therefore, before you pass on to the next world, you should achieve unity between your physical and spiritual bodies by living your earthly life in such a way that you meet the standards of both the physical and spiritual worlds.

In other words, you have the responsibility to perfect your spirit within your physical bodies based on the finite life you live in the tangible, physical world. This does not mean, however, that the perfection of a spirit self happens automatically. Only on the basis of your having achieved complete unity between your mind and body during your earthly life, by expressing true love through actions, can your spirit self fully mature.

Ladies and gentlemen:

In order for fruit to ripen and be put into storage in autumn, it must first pass through the growing process of spring and summer and be provided with the nutrients supplied by nature and the tender loving care of its owner. Fruit, raised in an orchard by a lazy and ignorant owner, will be afflicted with all kinds of diseases and be affected by foul weather. Eventually it will fall from the tree before it is ripe or be classified as worm-infested. Though it is still fruit, it is different from other fruit since it would never be good enough to sell in the market.

Fruit that has fully matured on the tree will automatically go into the owner's storehouse. Similarly, only when the spirit of a person has reached perfection during his life in the physical world, which can be likened to the tree, can it automatically enter the incorporeal spirit world of the kingdom of heaven. In other words, a person will enter the kingdom of God in heaven automatically only when he has qualified for and enjoyed the kingdom of heaven on earth by living a fully matured life in his physical body.

While living on earth, your every action and movement is recorded on your spirit self, without exception and with the public laws of heaven as the standard. Accordingly, you will enter the spirit world in the form of your spirit self, which has recorded your life on earth with 100 percent accuracy. Your spirit will show plainly whether you have led a ripe life of goodness, or a wormy, rotten life of sinfulness. What this means is that God will not judge you; you will be your own judge. If a person is aware of this astonishing rule from Heaven, would the latter days of that person's life on earth be spent in selfishness and immorality, succumbing to all the temptations of Satan and in pursuit of nothing but pleasure? No, rather you should abstain from injuring and scarring your spirit, even at the risk of your earthly life. Please bear this truth in mind: Whether you are bound for heaven or for hell is determined by your thoughts, speech and behavior in each moment.

This does not imply, though, that the spirit leads its own life or that it can express true love through actions on its own. Your spirit self grows, matures and finally becomes perfected only within your physical body, through an earthly lifetime of having actualized true love, bringing

your mind and body into a smooth unified relationship of give and take.

Nevertheless, undeniably, your outer self and inner self are in a constant relationship of conflict and struggle. How much longer will you allow this fighting to continue? Ten years? A hundred years? In contrast, there is undeniably a proper order for all forms of existence in the universe. This indicates that God did not create human beings in this state of conflicted disorder. You need to know that it is your duty and responsibility as a human being to dispel all temptations directed at your outer self—your physical body—and achieve victory in life by following the way of your inner self—your conscience. Heavenly fortune will be with those who lead their lives in such a way. They will attain the perfection of their spirit selves.

Bounds of Heaven and Hell

Ladies and gentlemen:

What kind of places are heaven and hell? What kinds of people enter heaven? If it really does exist, where would it be? Would it be outside the galaxy, on the other side of the sky? Or is it only a product of our imagination? These are questions that everyone will have pondered and asked at least once.

In brief, heaven is a world overflowing with God's true love and established with true love at its axis. It is a world where true love is the external form as well as the internal content of every environment. It is a world where true love is present at the beginning and end of life. It is a world full of people who were all born through true love, who live in the embrace of true love, and, following the track of true love, finally pass on into the next world, the spirit world.

Consequently, antagonism and jealousy cannot be found in that world, for it is a natural world where each person lives for the sake of the other. It is not a world governed by money, honor or power. It is a world wherein the success of a person represents the success of the whole, the likes of a person represent the likes of the whole, and the joy of a person represents the joy of the whole.

Heaven is a world filled with the air of true love, where all breathe true love. It is a world where life throbs with

love at any place at any time. It is a world whose constituent members are all connected to the true God through blood ties. It is a place where the whole world and all people are linked together in an inseparable relationship, like the cells in our bodies. It is a world that is governed only by true love, the love that is God's essence. Accordingly, God also exists for true love.

A Life of True Love

You should lead a life that is completely devoted to true love. Your life should be one in which you love God more than did Adam, Eve or Jesus. By thoroughly actualizing true love, you should perfectly unite your mind and body and find and establish the realm of the relationships of true love. To put it another way, you should perfect a true family on earth, and the three generations of grandparents, parents and children should live together in true love. Only then will you be eligible to enter heaven.

What kind of love is true love? The essence of true love is found not by having others serve you, but it is found when you give, serve and live for the sake of others. It is love that gives and forgets that it has given, and continues to give endlessly. It is love that gives with pleasure. It is the heart of pleasure. It is the love of a mother holding her baby to her bosom and breastfeeding it. It is love expressed through sacrifice as when, with pleasure, a child acts with filial piety toward his or her parents. It is a love just like that God expressed when creating humankind, an act requiring absolute, unique, unchanging and eternal love that gives without conditions or expectations of receiving anything in return.

Ladies and gentlemen:

True love brings about the incorporeal order, peace and happiness that serve the common good. True love is love that determines the source, center and owner of the universe. True love is the root, and the symbol of the will and power of God. Therefore, when bound in true love, it is enough to be together eternally; for it is a love that can attract not only the universe, but even God. The value of true love lies in its power, which is strong enough to eradicate the walls of national, racial and religious boundaries, created by fallen human descendents. That is why the absolute condition necessary to enter the kingdom of

heaven is a life that has been lived for the sake of others, that is, a life of true love.

Yet, look at the world we are currently living in. The people of the world are caught in the trap of extreme selfishness, clamoring for material gain. They have lost all sense of values and have fallen into the depths of self-gratification and degradation. The world is filled with alcoholics. As if drugs and free sex were not enough, there are even those who commit incest—an act not even seen in the animal world—and still live with their heads held high. This world has become one wherein beasts with human faces roam freely, even after violating women—grandmothers, mothers, wives and daughters. This world has become one wherein the swapping of spouses between couples is rampant. Such circumstances are without a doubt the pinnacle of the destruction of morality and the very last of fallen acts. This world has become hell on earth, where the perfected world, embodying the ideal God envisaged at the Creation, cannot even be dreamed of.

Results of the Fall

We have come to know that all these problems are rooted in the Fall of Adam and Eve, our first ancestors. Adam and Eve, who were at the perfection stage of the growth period, had a sexual relationship before their rightful time, due to the temptation of Satan. In this manner, an illicit sexual union of man and woman constituted the Fall. This is why, over thousands of years, people have continued to commit such indecent acts, traitorous acts that drive a sharp spike into the heart of God. They have been unable to escape from the realm of the fallen lineage.

Ladies and gentlemen:

A man or woman alone can only be one-half of the whole. That is how God created us. For that reason, He has interchanged the owners of the reproductive organs, the love organs. The owner of the wife's reproductive organ is the husband, and the owner of the husband's is the wife. Only when each is rooted in true love for the sake of the other are they in the position of the owner of their spouse. In other words, irrespective of who they are, all human beings can become perfected individuals—and not just

mere halves—only when they have secured the position of an owner through marriage.

The human sexual organ is sacred. It is the palace of life, where the seed of life is sown; the palace of love, where the flower of love is made to bloom; and, the palace of lineage, where the fruit of lineage is born. Through this absolute sexual organ, the absolute lineage, absolute love and absolute life are brought forth; and absolute harmony, absolute unity, absolute liberation and absolute Sabbath brought about.

For what reason, then, are we trying to restore the position of the owner of the reproductive organs? It is to possess God's love from that position. He is the subject of three great loves. As the owner of the universe, He is the true teacher, true owner, and true loving parent. These form the basis for the true, "three great subjects" system of thought. All these teachings and truths are created through the life of a true, model family; and with its expansion, the society, nation, the world and even the universe will be transformed into the peace kingdom of the model, ideal family.

However, because of the Fall, the first Adam lost the original, true lineage and consequently failed to form the original couple and the original family. Adam, who should have become the true teacher, the true parent and the true king, inherited the lineage of Satan and was degraded to the position of a false teacher, false parent and false king.

When we come to think of it, the purpose for Jesus' coming down to earth did not lie elsewhere. It was to restore the fall. If Jesus, who had come as the second Adam, had not lost his life on the cross, he would have restored the original lineage of God, unrelated to the Fall, and would have reversed the failure of the first Adam, established the true family as the Savior of humankind, and founded on earth the original human homeland, that is, the kingdom of the world embodying the ideal of peace, the kingdom of heaven on earth. However, the disciples, the Jewish leaders and the leaders of the nation of Israel all failed to recognize the Christ, and their disbelief caused Jesus' life to come to an end in such a wretched and tragic way.

Has there been anyone who knew of the grievous heart of Jesus, who had to leave earth at an untimely moment,

leaving no descendants? Though two thousand years of Christian history have passed, has there been any Christian who stopped to imagine Jesus' sorrowful circumstances? Jesus left suddenly, leaving behind him few traces other than a promise to return. Though his physical body has long been buried and become dust, the will that God had tried to fulfill through him is finally in the process of being completed at this time, at the end of history, through True Parents, who have received the seal of Heaven and been manifested on earth.

However, the life of Rev. Moon, whose task it is to complete the mission of True Parents, has been one of sorrow, marked by inexpressible suffering and persecution. The third Adam, the True Parent, needs to restore through indemnity and completely reverse all the failures of the first and second Adams. It is a mission to complete not only the mission of the Savior, Messiah, and Lord at his second coming, but also the mission of all those major figures on whom religions are based. With similarities to God's creation of the universe, his life has constituted the great work of the re-creation of humanity, where not even the smallest error is permitted. It has been a lonely course that cannot be fully comprehended by anyone.

It has been a course that took him down thorny paths through the wilderness—paths that he had to follow while utterly alone. Not even God could acknowledge him. Hovering many times between life and death, and vomiting blood, he has still had to rise again like a phoenix to remain true to his promise to God.

Rev. Moon, though he was innocent, has had to endure unjust imprisonment six times: for working in the underground independence movement when he was studying in Japan in his early days; for propagating the will of God in Pyongyang, which was under communist rule immediately after Korea's independence; during the Syngman Rhee administration, after Korea had been reborn as a free nation; and, furthermore, even in the United States, which proudly presents itself to the world as a model of democracy. Who on earth can understand the life of Rev. Moon? His has been a life of misery, which he has endured by biting his tongue, for the sake of comforting God, and for the salvation of the fallen people of the world who are suffering in the realm of death. Even now, if one person were to look into my heart and speak a word of sympathy,

my tears would become an explosive waterfall.

Heaven Begins from the Family

Ladies and gentlemen:

The sinful era of restoration through indemnity, the era before the coming of heaven, has passed and the era of the constitutional government, ruled by heavenly law, that is, the time after the coming of heaven, is upon us. You are now living in an era of grace in which, after receiving the marriage blessing from True Parents, completing the conversion of lineage, and leading a life of the settlement of noon, a life without shadows, you can automatically enter the kingdom of heaven. That is to say, if you establish a true family on earth and lead a heavenly life, once you die your life will be connected to the Kingdom of God in heaven, and you will enjoy eternal life.

Therefore, in the framework of the family, you should serve God as the Father in the highest position. Everyone of you should become His children, entering into a parent-child relationship with Him and perfecting yourselves through living together, closely linked in blood ties. In short, you should form and live in the realm of a true love relationship with God.

Who would be the greatest grandfather of the universe? The first human ancestors, Adam and Eve, call God “Father.” Should their children call Him “Grandfather”? No, they too should call Him “Father.” Why is this so? From the viewpoint of God, the vertical center, all object partners of love are equal. His object partners, who are produced through the horizontal expansion and multiplication of His love, assume equal value regardless of who they are, transcending time and space. Simply put, everyone has equal value in perfected love.

The kingdom of heaven must first be achieved on earth. What this means is that the kingdom of heaven being established in the corporeal world is prerequisite to establishing the kingdom of heaven in the incorporeal world. Therefore, heaven is not a world found in outer space on the other side of the galaxy, nor is it the by-product of imagination existing only in the human brain. It refers to the substantial kingdom of heaven on earth, which can only be created when you have led lives expressive of true love. When you leave the physical world on

that foundation, you automatically enter the incorporeal kingdom of heaven. This means that only when you have led a heavenly life on earth, can you lead such a life also in heaven.

Only the fruit that has fully ripened on the tree is classified while in storage as a product of the best quality. Herein lies the reason why your lives should not be ones bound for hell, like fruit that is devoured by insects on the tree. You should never forget that you yourselves, through your life on earth, determine whether you go to heaven or to hell.

The Value of Family

Ladies and gentlemen:

The reason why we miss the family we have left behind is that at home there is love for one another. It is where the love of mother and father, the love of elder brothers and sisters and younger siblings, and the love of one's spouse, children and close neighbors are all deeply embedded. It is a place of mutual affection, where all relationships and affinities are brought together through mutual love. This makes you want to cherish each and every member of your family. It is the yearning and desire of any wanderer who has left his family behind to reappear boldly before his family one day as a liberated being, and to embrace mountains, streams and trees, love his kith and kin, and sing songs of ecstasy.

However, the situation of humankind, descended from the Fall, has been different: banished from their hometown and destined to wander in isolation and defeat, human beings are unable to go back, no matter how much they miss their family, for they have lost the root of the heart of their original homeland.

However, with the ushering in of the era of a new heaven and a new earth after the coming of heaven, human beings have been pulled out of the swamp that was sucking them down, and the way has been opened for them to return to their hometowns—hometowns that they could not forget even for a moment—and meet with their family. Could there ever be a day of greater blessing for humanity? The time of heavenly power and fortune has now come, a time to reestablish the original family that was lost through the Fall of Adam and Eve.

A Family of Three Generations Living in Harmony

When seeking after the lost original family, you should set out from the position of the perfected Adam, the position of the perfected Jesus, and the position representing the perfected Second Coming of the Lord. God will dwell in such a family. That family would be one of three generations—grandparents, parents and children—living in harmony. In such a family you need to live in service and attendance to the grandfather as the historical root of your ancestors.

The family sets the pattern for all people to live together in harmony. The family where parents and children love and respect each other, where husband and wife are grounded in mutual trust and love, and brothers and sisters trust and rely on each other, and all live together as one, is the model and the ideal. This means that you need to establish a true family wherein the stem of true love emerges from the root of true love and bears the fruit of true love.

In such a family the root of history is alive, and the root of the kingdom of heaven extends into it. It is in such a family that the kingdom of heaven on earth takes root. It is also where the everlasting root of kingship is firmly planted, and where the roots of the past, present and future are represented by grandparents, parents, and grandchildren, respectively. The root of the past represents the spirit world; the root of the present is the palace representing the world today; and, the root of the future establishes the grandsons and granddaughters as princes and princesses, and erects the palace of peace representing the two worlds, the spirit world and the physical world.

In such a manner, the three generations of grandparents, parents, and grandchildren should live together as one family, serving the eternally existent God. You should know that to seek after and establish such a family of *Cheon Il Guk* (God's kingdom) is the responsibility of tribal messiahs, the mission of the Ambassadors for Peace, and the desire of God.

The movement to realize a society of mutual existence, prosperity, and benefit, by making humanity one great family, breaking down the walls in our hearts and

eliminating even the boundaries between nations, begins thus from one family. Therefore, we should bear in mind that to form and establish true families is our providential calling, advancing the establishment of the cosmic peace kingdom on earth.

You should form families that God will miss and yearn to return to after He has been away. You should raise families to which He can come freely as the Parent visiting His children. That is what it means to live in service to God. In such a family, God becomes the Subject of our conscience, acting vertically. Following that vertical Subject, your mind stands in the position of the vertical subject of yourself, and brings your mind and body into unity. That is where parental love, conjugal love, children's love, and siblings' love—in short, the four realms of love or the four realms of heart—are perfected. Only in such a family can the upper and lower, front and behind, left and right be connected as one and circular motion continue.

If the world were filled with such true families, that world would be one governed by the heavenly way and heavenly laws, with no need for lawyers, prosecutors or even judges. Ponder this for a moment. Who would be most fully aware of your good and bad deeds? It would be your grandparents, your parents, your spouse and your children.

Is there anything that cannot be resolved within the family? When parents and children, husband and wife, and elder siblings and younger siblings set an example of living for the sake of one another, how could they do anything unforgivable? What chance would they have to commit crimes? A world governed by the heavenly way and the heavenly laws is a natural world, an unobstructed world of truth and pure reason, and a world of the settlement of noon, where no shadows are cast.

Esteemed representatives of the Mongolian People's Federation:

We should all return gratitude and glory to God and True Parents for enlightening us about the incredible providential age in which we are living. We should give praise and thanks for eternity to True Parents for opening the time after the coming of heaven, which is unprecedented in history and which will never be repeated in the future,

and for bringing about the era of the settlement of the realm of true liberation and complete freedom. Just as the sun rises with brilliant light in the eastern sky, heavenly fortune is now shining upon all people. The curtain of darkness that shrouded us for thousands and tens of thousands of years is lifting at last, as Heaven's will is taking root in your hearts. This is a path of destiny you cannot avoid. Therefore stand up with courage and shout out, "Whoever wants to die will live, and whoever wants to live will die!"

Ladies and gentlemen:

The mission of the Mongolian People's Federation has now become clear. Serving the Universal Peace Federation as the vertical Abel, and the religious realm and national realm of the world as the horizontal Abel, it should be in the position of Cain and work as the central figure in establishing the global kingdom of the peace ideal. I hope you also will participate actively in the Bering Strait Tunnel Project, currently being promoted as a Universal Peace Federation construction project. Through the completion of this project, humanity will become one great family and the establishment of a war-free world of the peace ideal, espousing the blessings of eternal peace will come to be.

Please become true princes and princesses who can attend and live together with God, the eternal peace king, as the true parent of humanity. Let us restore the Mongolian People's Federation to the Mongolian Shared Lineage Federation by receiving the marriage blessing of True Parents and perfecting the conversion of our lineage. Please take to heart that this is the task assigned to you by God, and become the true owners in establishing the Kingdom of Peace and Unity in Heaven and on Earth.

May God's grace be upon you, your family and your nations.

Thank you.

About the Speakers

The Reverend Dr. Sun Myung Moon and Dr. Hak Ja Han Moon

The Reverend Sun Myung Moon and his wife, Dr. Hak Ja Han Moon, known affectionately as Father and Mother Moon, lead a movement active in 190 nations, with foundations and enterprises encompassing the realms of religion, academia, the arts, media, sports, agriculture, technology, ocean enterprises, and more.

Sun Myung Moon was born a farmer's son on January 6, 1920, in what is now North Korea. On Easter Sunday, 1935, he had a life-changing spiritual encounter with Jesus, who asked him to work for the establishment of God's kingdom on earth. He began his public ministry in 1945. After being imprisoned in a North Korean death camp for three years, he was liberated by U.N. forces in 1950.

Responding once again to the call of God, Rev. Moon came to the United States in 1971, where he began a series of national revival tours, a tradition that has continued to this day. In 1990, he fulfilled a pledge that one day he would go to Moscow. There he met with President Mikhail Gorbachev and urged the Russian people to turn back to God. The following year, he made his first visit in 40 years to Pyongyang, embracing the leaders who had been his persecutors and seeking ways to bridge the gap between the two Koreas.

Today Rev. and Mrs. Moon are proposing a revitalized, renewed United Nations with the help of the newly-established Universal Peace Federation (UPF), with more than 50,000 diplomats, clergy, civic leaders, current and former heads of state appointed as Ambassadors for Peace.

Among the prominent current initiatives of the UPF is the Middle East Peace Initiative. Thousands of religious leaders have journeyed to Israel and Palestine to urge the children of Abraham to unite in peace. UPF has also been active in disaster relief after Hurricane Katrina. It is fighting against the spread of AIDS and encouraging youth to work for peace through sports and community service.

The heart and soul of Rev. and Mrs. Moon's lifelong ministry is the re-establishment of God's ideal of the family

as the foundation for harmonious societies and the cornerstone of world peace. The Marriage Blessing movement, beginning with three couples in 1960, has reached millions of couples.

Dr. Hak Ja Han Moon is also a daughter of North Korea. She was married to the Rev. Sun Myung Moon in 1960, and they have fourteen children. An internationally noted peace activist, Dr. Moon has spoken at the United Nations and the Kremlin Palace in Moscow and the Great Hall of the People in Beijing, and has been awarded a number of honorary degrees for her peace and humanitarian work.
