

World Peace Tour III

Lithuania - September 16, 2006

By Gunnard and Satsuko Johnston

When we heard Lithuania was to hold
12 simultaneous rallies,
we were feeling seriously challenged !!!

After the initial numbness wore off,
we remembered Father Moon's declaration,
"Where there is a will, there is always a way,
especially if it is the Will of God."

Father and Mother Moon and their family had visited Lithuania twice before.

Mother Moon had commended the Christian spirit of our nation.

We selected 12 venues,
appointed coordinators,
and called our families, relatives, friends,
people we had met over the years, and
leaders of organizations
throughout the nation.

On the big day ...
